

Personal Website — Reflection Sheet

Submit this the same day you submit your website link.

Name: _____	Date: _____	Period: _____
-----------------------	-----------------------	-------------------------

Website URL (GitHub Pages):

① SECTIONS COMPLETED

Check every section that is live on your website:

- ☐ About Me
- ☐ Interests & Hobbies
- ☐ Favorite Things
- ☐ Something I'm Proud Of
- ☐ A Goal or Dream
- ☐ Find Me

Any sections you didn't finish? Explain why:

② WORKING WITH COPILOT

What was your best Copilot prompt? Write the actual prompt you typed:

What happened when you used a vague prompt? What did you learn?

What was the hardest thing to get the AI to do correctly?

③ YOUR REFLECTION

What part of your website are you most proud of? Why?

What would you change or add if you had more time?

Rate your effort on this project:

☐ I went all in ☐ I did the work ☐ I did the minimum

What would you do differently?

④ PEER SHOUTOUT

Name one classmate whose website impressed you and why:

FOR TA USE ONLY — GRADING RUBRIC

Criteria	4 — Excellent	3 — Good	2 — Needs Work	1 — Missing	Score
Required Sections (all 6 present)	All 6 live, styled, real content	5 sections, mostly real	3–4 sections or placeholder	2 or fewer sections	
Content Quality (original, personal)	Every section feels like this person	Most sections have real content	Generic or copied text	Almost no real content	
Visual Design (CSS, layout, colors)	Clear visual identity, consistent	Styled with some inconsistency	Minimal styling, defaults	No CSS applied	
Effort & Originality (beyond minimum)	Clear extra effort, animations, extras	Solid work, all requirements	Did the minimum, no extras	Clearly rushed	
TOTAL	Every answer specific and detailed	Most answers have real detail	Short or vague throughout	Blank or one-word answers	___ / 20
